About the Health Care Proxy

This is an important legal form. Before signing this form, you should understand the following facts:

1. This form gives the person you choose as your agent the authority to make all health care decisions for you, except to the extent you say otherwise in this form. "Health care" means any treatment, service or procedure to diagnose or treat your physical or mental condition.

2. Unless you say otherwise, your agent will be allowed to make all health care decisions for you, including decisions to remove or withhold life-sustaining treatment.

3. Unless your agent knows your wishes about artificial nutrition and hydration (nourishment and water provided by a feeding tube), he or she will not be allowed to refuse those measures for you.

4. Your agent will start making decisions for you when doctors decide that you are not able to make health care decisions for yourself.

You may write on this form any information about treatment that you do not desire and/or those treatments that you want to make sure you receive. Your agent must follow your instructions (oral and written) when making decisions for you.

If you want to give your agent written instructions, do so right on the form. For example, you could say:

If I become terminally ill, I do/don't want to receive the following treatments:

- If I am in a coma or unconscious, with no hope of recovery, then I do/don't want:
- If I have brain damage or a brain disease that makes me unable to recognize people or speak and there is no hope that my condition will improve, I do/don't want:
- I have discussed with my agent my wishes about __________________ and I want my agent to make all decisions about these measures.

Examples of medical treatments about which you may wish to give your agent special instructions are listed below. This is not a complete list of treatments about which you may leave instructions:

- artificial respiration
- artificial nutrition and hydration (nourishment and water provided by feeding tube)
- cardiopulmonary resuscitation (CPR)
- antipsychotic medication
- electric shock therapy
- antibiotics
- surgical procedures
- dialysis
- transplantation
- blood transfusions
- abortion
- sterilization

Talk about choosing an agent with your family and/or close friends. You should discuss this form with a doctor or another health care professional, such as a nurse or social worker, before you sign it to make sure that you understand the types of decisions that may be made for you. You may also wish to give your doctor a signed copy. You do not need a lawyer to fill out this form.

You can choose any adult (over 18), including a family member, or close friend, to be your agent. If you select a doctor as your agent, he or she may have to choose between acting as your agent or as your attending doctor; a physician cannot do both at the same time. Also, if you are a patient or resident of a hospital, nursing home or mental hygiene facility, there are special restrictions about naming someone who works for that facility as your agent. You should ask staff at the facility to explain those restrictions.

You should tell the person you choose that he or she will be your health care agent. You should discuss your health care wishes and this form with your agent. Be sure to give him or her a signed copy. Your agent cannot be sued for health care decisions made in good faith.

Even after you have signed this form, you have the right to make health care decisions for yourself as long as you are able to do so, and treatment cannot be given to you or stopped if you object. You can cancel the control given to your agent by telling him or her or your health care provider orally or in writing.
Filling Out The Proxy Form

Item (1) Write the name, home address and telephone number of the person you are selecting as your agent.

Item (2) If you want to appoint an alternate agent, write the name, home address and telephone number of the person you are selecting as your alternate agent.

Item (3) Your Health Care Proxy will remain valid indefinitely unless you set an expiration date or condition for its expiration. This section is optional and should be filled in only if you want your Health Care Proxy to expire.

Item (4) If you have special instructions for your agent, write them here. Also, if you wish to limit your agent’s authority in any way, you may say so here or discuss them with your health care agent. If you do not state any limitations, your agent will be allowed to make all health care decisions that you could have made, including the decision to consent to or refuse life-sustaining treatment.

If you want to give your agent broad authority, you may do so right on the form. Simply write: I have discussed my wishes with my health care agent and alternate and they know my wishes including those about artificial nutrition and hydration.

If you wish to make more specific instructions, you could say:

If I become terminally ill, I do/don’t want to receive the following types of treatments:

If I am in a coma or have little conscious understanding, with no hope of recovery, then I do/don’t want the following types of treatments:

If I have brain damage or a brain disease that makes me unable to recognize people or speak and there is no hope that my condition will improve, I do/don’t want the following types of treatments:

I have discussed with my agent my wishes about __________ and I want my agent to make all decisions about these measures.

Examples of medical treatments about which you may wish to give your agent special instructions are listed below. This is not a complete list:

• artificial respiration
• artificial nutrition and hydration (nourishment and water provided by feeding tube)
• cardiopulmonary resuscitation (CPR)
• antipsychotic medication
• electric shock therapy
• antibiotics
• surgical procedures
• dialysis
• transplantation
• blood transfusions
• abortion
• sterilization

Item (5) You must date and sign this Health Care Proxy form. If you are unable to sign yourself, you may direct someone else to sign in your presence. Be sure to include your address.

Item (6) You may state wishes or instructions about organ and/or tissue donation on this form. A health care agent cannot make a decision about organ and/or tissue donation because the agent’s authority ends upon your death. The law does provide for certain individuals in order of priority to consent to an organ and/or tissue donation on your behalf: your spouse, a son or daughter 18 years of age or older, either of your parents, a brother or sister 18 years of age or older, a guardian appointed by a court prior to the donor’s death, or any other legally authorized person.

Item (7) Two witnesses 18 years of age or older must sign this Health Care Proxy form. The person who is appointed your agent or alternate agent cannot sign as a witness.
